John Sansone: To use our time the most effectively, I think it would be best for me to go through all the proposed changes from the previous town attorney (Bridget) and make notes. If it's something that Ben (renewables attorney) is going to have to look at, I can note that too.

In the interest of everyone, I am going to have to go through these and make recommendations for you to save everyone a lot of time.

I will go through as much of these in the next few weeks, and report back at the January 7th meeting on how it is going and we can figure out if a second meeting will be required moving forward.

Next Meeting: January 7th, 2026

MOTION: Motion to close the meeting made by L. Bestehorn. Second by J. Jack All in favor. None opposed.

MOTION PASSED

Meeting ADJOURNED at 7:28 PM

Respectfully submitted,

Jennifer Tuerk
