

Fresh Air, Clean Parks, Happy Community.

Join the Byron Parks' Committee to clean up our parks! Spend a few hours outdoors enjoying the fresh air while giving back by cleaning up Turtle Park, Fireman's/Community Park, and Trestle Park. Plus, if you need community service, your time spent volunteering can count toward your required hours! **Bring your friends, family, or even just yourself—every helping hand makes a big impact.**

All are welcome any time!
